

Kutol Pro

Heavy Duty Hand Wipes

These dual textured, pre-moistened cleaning towels cut through the toughest soils including grease, oils, tar, inks, paints, lubricants and adhesives. The textured side won't scratch hands or surfaces and is ideal for scrubbing while the smooth side wipes hands and surfaces clean. These multi-purpose hand wipes are industrial strength, yet gentle on the skin.

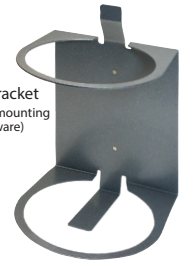

Features and Benefits

- Ready to use, pre-moistened and dual textured
- Can be used for cleaning hands, tools, equipment and other hard surfaces
- Industrial strength cleaner lifts away grease, oils, tar, inks, lubricants, adhesives and more
- Fortified with a special emollient to soothe and moisturize skin
- No rinsing needed, no residue left behind – simply wipe clean and let dry
- Citrus scent leaves hands smelling clean and fresh
